01 March 2012

Dear Jerković,

Primarily, i would like to present my greetings and great wishes. Your alturistic effort and work, in order to establish independent Bosnia and Herzegovina, can't be forgotten. Undoubtedly, Bosnia and Herzegovina's independence will be everlasting, and it will stay as an honorable member of international society.

I celebrate the 20th anniversary of the independence of Bosnia and Herzegovina. And by this manner, i commemorate Aliye İzzetbegovic, the great statesman and man of thought, with deep respect.

Hope to see you soon...

Best regards.

Your brother,

Hasan SOYGÜZEL
